

You will need to print out this puzzle to do it.

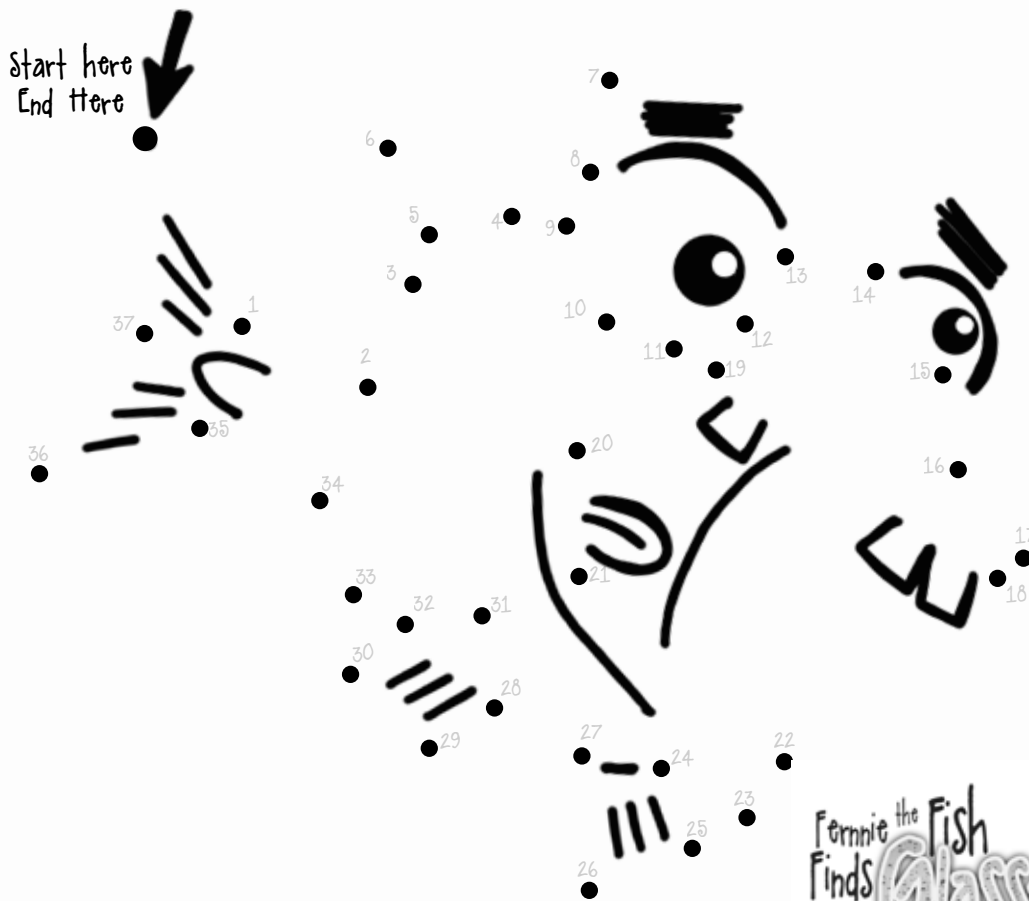

Fernnie the Fish puzzle pages

Connect the dots and draw a picture!

Below is pictures of one of Fernnie's friends from the book
"Fernnie the Fish Finds Glasses."

Draw a line to all the dots, starting at the dot that says "start here"
then draw a line to the next number until you get to the dot that says "end here".

Who is it? It is Fernnie's yellow fish friend.
Now you can color it. And put it on the fridge, if you like.

"A story about being different"
